QUESTIONS ON THE MAP OF EIGHT OF THE WESTERN STATES AND A PART OF MINNESOTA TERRITORY.

What country is north of the Western States?—What Province east of Michigan?—What State east of Ohio?—What one south-east of Ohio and east of Kentucky?—Name the Territories west of Arkansas, Missouri, and Iowa?—Where is Minnesota Territory?

Name the State south of Kentucky.—The one south of Missouri.—Arkansas and Tennessee are both Western States. For full Maps of them, see page 59.

Name the State north of Illinois.—The one east.—The one south-east.—The two west.—Name the State north of Indiana.—The one east.—The one south.

Name the Territory north of Iowa.—The States east?—The State south?

Name the island in Lake Superior—Where are the Cumberland Mountains?—In what State is Iron Mountain?—In what State is the Copper Region?—Near what lake?

Where is Lake Erie?—Lake St. Clair?—Lake Huron?—Lake Superior?—Lake Michigan?—The Lake of the Woods?—Lake Itasca?

Two of these lakes are entirely within the limits of the United States; which are they?—One of them forms the source of the Mississippi river; which is that?—Answer: Lake Itasca.

In what State is Green Bay?—Where is Georgian Bay?—What Strait connects Lake Michigan and Lake Huron?—Where is the Grand Portage?—The Grand Portage is a number of small lakes, situated so near each other that travellers go from Lake Superior to the Lake of the Woods through them, taking their boats very short distances over land.

What two lakes are connected by St. Mary's river?—In what State is Grand river?—Into what lake does this river flow?—Into what lake does the Maumee river flow?

Name the river which forms the southern boundary of Ohio, Indiana, and Illinois.—What river separates Kentucky and Virginia?

What river of Kentucky flows into the Ohio?—What two rivers flow from Tennessee through Kentucky into the Ohio?—Name the two northern branches of the Ohio?—In what State is White river?—Into what river does it flow?

Name the States separated by the Mississippi river.—What two rivers of Illinois flow into the Mississippi?—What great river flows through Missouri into the Mississippi?—Name its two principal tributaries.—Name the two rivers of Iowa flowing into the Mississippi.

Where is the Wisconsin river?—The Minnesota river?—What is the name of the river which partly separates Wisconsin and Minnesota Territory?

Where is the Red River?—In what direction does the Red River flow?—Answer: north.

Name the capital of Michigan.—Ohio.—Kentucky. Indiana.—State the river on which each of these capitals is situated.

In what part of Illinois is the capital of the State?—Where is Jefferson City?—Of what State is it the capital?

Name the capital of Iowa.—Of Wisconsin.—Of the Territory of Minnesota.—State where these places are situated.

In what State, and on what river, are the following places—Cincinnati?—Louisville?—St. Louis?—Covington?—New Albany?—Lafayette?—Dubuque?

On what lakes, and in what States, are each of the following cities—Chicago?—Cleveland?—Milwaukee?

Where is Detroit?—Dayton?—Galena?—Fort Wayne?—Iowa City?—Burlington?

What river would you cross to go from Ohio to Kentucky?—What to go from Illinois to Missouri?—From Missouri to Kansas Territory?

On what lake should you sail, to go by water from Chicago to Milwaukee?—In what direction?

In what direction from Cincinnati is St. Louis?—Chicago?—Cleveland?—In what direction from Chicago is St. Paul?

What is the distance of Dubuque from Chicago?—What three rivers would you cross, proceeding in a direct line from Chicago to Dubuque?
